### WHAT WE DO

Owen Forensic Services, L.L.C., maintains a state of the art facility for the purposes of digital audio enhancement, digital video enhancement, digital audio and video authenticity analysis, voice identification/speaker recognition and media/data recovery. We provide forensic consulting, examination, and testimony. Jennifer Owen has consulted on several high profile cases such as Trayvon Martin, Mel Gibson, Osama Bin Laden, Woody Allen and Mia Farrow, Lady Diana, Bruce Springsteen, Brandy, LL Cool J, Britney Spears, Elvis Presley, Mariah Carey, and Donald Trump to name a few. She has personally consulted on numerous television series, news channels (both foreign and domestic), radio, and podcasts.
